Sub: Recognition of Good work of Beat Police Personnel - Reg.

* * * *

Beat system is the heart of policing and it is the basic unit of the field policing. It plays a pivotal role in prevention and detection of crime, maintenance of Law and Order and community policing. Police Personnel across the Union Territory have all along been working tirelessly leaving their family, children and other loved ones for the safety and security of general public and their property. In this context, it becomes important to appreciate any good work done by the beat police by rewarding them suitably.

SHOs, CIs and SDPOs should monitor and record the good works done by the beat officers and beat constables under their jurisdictions and recommend their names for rewards. The objective criteria for recommending names for recognition must be based on:

- i. Contribution in Crime prevention.
- ii. Detection of heinous crimes and property offences.
- iii. Seizure of stolen properties and vehicles.
- iv. Arrest of notorious criminals and proclaimed offenders and other accused persons involved in land grabbing prostitution and trafficking of drugs / contrabands.
- v. Collection of actionable intelligence.
- vi. Social media connectivity (Whats app, Facebook etc.,) with Senior Citizens, Respected Members, Street Vendors, Youth Clubs, Private Security Guards, Friends of Police, Women Group, RWAs, CLGs, Market Associations etc., for problem solving and intelligence sharing.

Nominations with citation of deserving beat police personnel based on their performance in the previous month as per the criteria mentioned above may be sent to the office of the undersigned before 05th of every month by all SDPOs.
