**CIRCULAR**

Kind attention is invited on the proposal for integration of CCTVs being installed by private / public entities with respective Police Control Rooms as recommended during the **National Security Strategies Conference, 2021** held on 18.10.21 chaired by **Hon'ble Home Minister** in the presence of Heads of Police (DGsP/IGsP).

As directed by DGP, SHOs are requested to provide the existing CCTV Network established within their PSL by **Private / Public / NGOs** in the important junctions and its configuration in the prescribed format tabled below to enable us to **workout the cost estimate on the requirement of infrastructure** to connect those CCTV Network with Police Control Room at **Puducherry, Karaikal, Mahe & Yanam**

SN	Police Station	Location	No. of Camera	NVR / DVR	Hard Disc storage capacity	Details of persons maintaining	Power supply/ Alternate power supply

Based on the data provided and cost involved, with the approval of DGP, necessary proposal will be processed before the Government. The data may be sent in the excel format to email ID [polweb.pon@nic.in](mailto:polweb.pon@nic.in) for consolidation and processing through Chief Stores.
