Sub : Finger Print Bureau – Utilization of Live Scan System for taking finger prints of the accused persons – Reg:-

It is informed that in the year 2013 the Government has conveyed its approval towards the purchase of AFIS (Automated Fingerprint Identification System) for an amount of Rs 68,13,738/- vide G.O Rt. No. 51, dated 14.08.2013 of the Home Department Puducherry. By September 2014, the Finger Print Bureau has successfully completed the installation of AFIS (Automated Fingerprint Identification System) with 7 Fingerprint Live Scanners. The Systems are installed at Finger Print Bureau Puducherry, SP offices (North, South, East, Karaikal, Mahe, Yanam) in September 2014.

In this regard the Police Constables nominated by the respective SDPOs (North, South, East, Karaikal, Mahe, Yanam) were trained by the FPB, Puducherry and they have to maintain the Live Scan system by taking the finger prints of the accused persons at the respective locations. And it has been observed that the Karaikal and Mahe regions are absolutely utilizing the service of the Live Scanners by taking the finger prints of the accused persons and sending the same to the Finger Print Bureau, Puducherry through E-mail. But, other Live Scanners installed in the North, South, East and Yanam regions are not being utilized absolutely. Hence, it is hereby informed to take the finger prints of the accused persons both manually and as well as through Live Scanner.
