No. 569/Inspr(Coastal)/CR/2016.

Dated 29.11.2016.

NOTE

Sub: Drowning deaths at beaches – Promulgation of required initiatives – Reg.

-o0o-

Despite of our various efforts to preclude drowning incidents of tourists at the beach areas of Puducherry Region, still the misery is continuing occasionally due to the inadequate awareness among the visiting tourists.

Perhaps, it is rather to state that most of the victims were found drunken before get succumbed by the waves who were under alcoholic stage and had no cautious about the danger.

Hence, you are instructed not to permit your inmates to carry the liquors to beach and drink and strict compliance in this regard should be adhered. Contravention will be viewed adversely.

Managing Directors of all Beach Resorts,
Puducherry Region.
