2. In this regard, Puducherry Police has informed that they had applied for Revised Fresh Decision Letter with additional User station License within the scope of existing 5 pairs of VHF Frequencies Licensed to Puducherry Police and online application has been submitted on 02.11.2021 accordingly.

3. Further, Puducherry Police has also requested for spectrum user station fee relaxation if any under Public Protection & Disaster Relief (PPDR) or as deemed fit stating that C-DAC has incorporated VHF in their online Dial 112@ERSS application with the approval of MHA as Dispatcher in Emergency Response Support System (ERSS) projects and thereby executed digitalization of police wireless as Hybrid VHF Network(VHF+IP) connecting 4 enclaves of Puducherry UT(Karaikal/mahe/Yanam) geographically separated from HQ between 130 and 800 Kms. Now it is extended to Disaster management under single emergency contact PAN India project.
