Minutes on the briefing meeting held on 14<sup>th</sup> October, 2016

Development Commissioner/Chief Secretary i/c along with Director General of Police called on Hon'ble Lt. Governor and briefed about important issues relating to the administration. Secretaries to Government, LAD/Fisheries/ Transport also attended the briefing. The following points emerged:-

**Chief Secretary:**

1. The proposed revision of auto fares must synchronize with calibration of auto-meters with the dateline of 1<sup>st</sup> December, 2016. This will ensure adherence of auto-metering and compliance by auto drivers. Simultaneously, Transport and Police Departments should introduce pre-paid auto stands at Railway station, bus stand, Nehru Street and beach road with effect from 1<sup>st</sup> December, 2016.
2. As decided in the file of Education Department, a Committee to examine the grant of financial assistance to private schools should be constituted within one week and the said Committee should submit report within three (3) months.
3. Project Implementation Agency will checkup the original plan proposal submitted to World Bank /Govt. of India, under Tsunami Rehabilitation Programme, and ascertain the fishermen villages and other beneficiaries who are entitled for allotment of stalls in the modern fish market at ECR, Lawspet. The policy for allotment should meet the demand projected before the sanctioning authority for the market. Policy recommendation of Government needs to be expedited.
4. The local bodies are to finalise the list of open/public spaces where advertisement boards are permitted / prohibited. Secretary (LAD) will submit a time schedule for implementing advertisement rules by 17<sup>th</sup> October, 2016 (Monday).
5. Appointment of suitable officer as Director (Ports) to be expedited.
