CIRCULAR

OFFICE OF THE IGP
PUDUCHERRY
No. 837/CR
Date 18/02/2016

Sub: DIT - Implementation of eGovernance Project - Integration of e-transactions in the States/UTs with e-Taal - Reg.

Ref: D.O.Lr. No.3(2)/2013-EG-II dated 15-01-2016 of the Department of Electronics & Information Technology(DeitY), New Delhi

837/CR
Received on 22/2/16
Despatched on 23/2/2016

The letter received from DeitY cited under reference is enclosed herewith which is self explanatory. The Electronic Transaction Aggregation & Analysis Layer (eTaal) Portal facilitates capturing real-time transactions statistics of various eGovernment Services and provides an aggregated view of e-transactions taking place under various e-Government initiatives of Central and State Govt. Departments including Mission Mode Project.

The eServices which have been taken up under eDistrict are being integrated with eTaal by this Directorate. It is therefore, the Heads of Departments are requested to initiate necessary action to integrate all e-services taken up so far with eTaal portal.

D.O. NO. 3(2)/2013-EG II
Dated 15th January, 2016

OFFICE OF THE CHIEF SECRETARY
PUDUCHERRY.
No. 63/CS/2016/2
Received on 22/1/2016
Despatched on 23 JAN 2016

Dear Sir/ Madam,

Subject: Integration of e-transactions in the States/ UTs with eTaal- regarding.

Please refer to our earlier D.O. letter vide No. 3(2)/2013-EG II dated 5th August 2013 regarding integration of data pertaining to e-transactions happening through different portals in the State / Union Territory.

2. As you are aware, the Electronic Transaction Aggregation & Analysis Layer (eTaal) (<http://etaal.gov.in>) is a common platform setup by Department of Electronics and Information Technology (DeitY) and National Informatics Centre (NIC) for evaluating citizen services delivered across the country. It facilitates capturing real-time transaction statistics of various eServices and provides an aggregated view of e-transactions taking place under various eGovernance initiatives of Central and State Government departments including Mission Mode Projects. With the active participation of various Central Ministries and State/UT Government departments, over 2900 eServices have already been integrated with eTaal with 12.7 billion e-transactions recorded during the last two years.

3. As part of Digital India initiative, it is desired that the transactional data related all eGovernance services be integrated with eTaal Portal. Given the overall thrust of the Government as regards Digital India, there is the need to ensure that this portal is adequately nurtured till it captures the entire e-transactions in the States / UTs. You may kindly direct the concerned officials of all Departments / Organizations to do the needful on priority basis. Shri. I.P.S. Sethi, Sr. Technical Director NIC at 9810796406 or sethi@nic.in shall be assisting in this regard.

Warm regards,

Yours sincerely,

(J. S. Deepak)

Chief Secretaries of all States/Administrators of Union Territories
