OFFICE OF THE INSPECTOR GENERAL OF POLICE
PUDUCHERRY

NO.4/IGP/SECY/2012-149,

Puducherry, dt. 15.11.2012

The police organization is one of the most important and critical component of Government. Over the last decade, the society has undergone metamorphic change and has seen advancement in science & technology, active civic society, many social and economic legislations. In order to keep pace with the overall advancement and development in various fields, there is a need for the police organization to also adapt to the new environment and accordingly develop and modernize itself concurrently. Having this background in mind, it is essential that we should revisit the functioning of all the components / units of Puducherry Police very minutely and prepare a blue print in respect of each such unit for upgradation and modernization on the basis of actual needs based on sound assessment of the resources available at our disposal. Following are few outlines on which the respective SPs / SSPs should work on: -

- (i) Infrastructure - space ✓
- (ii) Logistical paraphernalia
- (iii) Tactical and operational gadgets / equipments
- (iv) Mobility
- (v) Identification of manpower requirement
- (vi) Training
- (vii) Performance appraisals /
- (viii) Identification of innovative schemes / activity, projects, etc.
- (ix) Computerization and connectivity
- (x) Resource mobilization
- (xi) Processes for monitoring and disposal of tasks in time bound manner
- (xii) Supervision and monitoring
- (xiii) Community participation in policing
- (xiv) Traffic management
