Subject: Online Motor Vehicle Coordination System

Infile

Sir/Madam,

National Crime Records Bureau had launched online Motor Vehicle Coordination System, "Vahan Samanvay" in the year 2014. Apart from police, RTOs are also stakeholder of the Vahan Samanvay System. This Bureau has already issued User ID and Password to all Districts & Police Stations of all States/UTs through respective State Crime Records Bureaux. Since, the Police and RTOs both are users of Vahan Samanvay System, therefore, the prompt reporting of lost/recovered information of vehicle in the Vahan Samanvay System will not only control the re-registration of tainted vehicle in other State/UT, but it will also increase the probability of tracking such vehicles during checking. In case any Police Station due to any technical difficulty is unable to update the vehicle's detail in Vahan Samanvay, then on behalf of that Police Station, concerned District/State police office can also update the data. The data entry status of lost/recovered motor vehicles for year 2015 and 2016 (upto 29/03/16) for your State/UT is enclosed for your kind information. The discrepancy, if any, in the actual figures and that entered in the Vahan Samanvay may please be verified and necessary direction be issued to all Police Stations/District Police Offices to update the deficient data in the Vahan Samanvay System at the earliest.

In the light of usefulness of the Vahan Samanvay System, it is once again requested to issue directions to all Police Stations of your State/UT to update particulars of each lost/recovered motor vehicle in Vahan Samanvay System promptly for better coordination of such vehicles and to put a curb on incidents of vehicle theft.
