No. 571/PW/CE/PA/2011

Dt. 4-7-2011.

To

The Special Secretary (Revenue)-
cum-Collector,
Puducherry.

Sir,

Sub: PW-Revenue-General permission to conduct Film
Shootings in Puducherry-Reg.

Ref: No. 912/DRDM/RO/DI/FSP-59/2011, dt. 19-4-2011,
of District Collector-cum-District Magistrate, Puducherry.

Recently permission was granted to conduct/organize film shootings in beach road to M/s. Excel Entertainment Pvt.Ltd., Puducherry-13 for shooting a Hindi film viz. "ACT OF PROVIDENCE". Though the order contained the general conditions to be followed while conducting film shootings, in the specific case the Company had violated many of the conditions thereby causing heavy disturbance to the normal life style of Puducherry citizens and the tourists who had visited to the beach road.

The Company had mobilized huge cranes and stopped along the beach road and on the pavement thereby blocking entire public movement in the beach road. Further during operation of the huge cranes the pavements were damaged. Even though this department had collected security deposits against the damages to the pavement, this had invited public criticism highly. Some of the News papers had also published the photographs of huge cranes which had been brought to the shooting spot. It was also noticed that the crane operations may even injure any pedestrian or public accidentally which may invite some more problems in this regard. The former Chief Minister of Puducherry Thiru V. Ramasamy and other Dignitaries who are regularly walking along the beach road have adversely commented this issue and the same had appeared as a news column in the Tamil papers.
