

GOVERNMENT OF PUDUCHERRY
POLICE DEPARTMENT

Dated: 15.06.2016

P R E S S N O T E

The Puducherry Police in the last 2½ years of my tenure has worked hard to provide peaceful, congenial and very cordial atmosphere to the people of Puducherry. As you are aware, the serious crimes have reported a considerable decline as compared to last few years. We have also initiated several measures and schemes for the people of Puducherry in the recent years to prevent and detect crimes. Among the major achievements, 100% completion of CCTNS (Crime and Criminal Tracking Network & System) project is a remarkable progress for the Puducherry Police. Further, by the inauguration of Citizen Portal, being the first in the country, anyone can lodge a complaint online and get acknowledgement and also know the status of his / her complaint. All the promotional backlogs of Puducherry Police have been addressed in a phased manner. We have also got settled old pending issues in the Courts. During my tenure, large numbers of vacancies of various categories were filled up and new posts / units were created. New Police Patrol Vans were procured under MPLAD scheme which are serving the dual purpose of Ambulance on the roads and patrol vans to prevent incidence of crime. Today Puducherry Police is a very disciplined, healthy and younger force. I am sure that Puducherry Police will march forward to become one of the best police force in the country. The recently concluded Elections to the Puducherry Legislative Assembly and the Parliamentary elections in 2014 went off peacefully without a single major untoward incident, which has been appreciated by one and all, including the Election Commission of India. There has been no serious law and order problem in the recent past. This has improved the image of Puducherry worldwide.

I am thankful to the present and previous Hon'ble Lt. Governors, Hon'ble Chief Ministers & Chief Secretaries and all the political parties in Puducherry for giving me guidance and strength. I am very thankful to all my colleagues in Police and Administration who have given their immense support to me in discharging my official duties. I am also very thankful to every citizen of Puducherry and press & electronic media in Puducherry for extending their support by all means.

(PRAVEER RANJAN, IPS)
IGP, PUDUCHERRY.
