

OFFICE OF THE INSPECTOR GENERAL OF POLICE
PUDUCHERRY

No. 189/IGP/OW/2020 - 35

Dated: 30.01.2020

NOTE

Ref: 1) SOP for Police Beats- No.165/OW/IGP/2019, Dt: 30.11.2019

2) Revised Beat Allocation - No.164/IGP/OW/2019
Dt: 30.11.2019

It has come to notice that, Beat System as per reference orders noted above is not properly supervised by SSPs and SPs. As per the above orders, all Police personnel available in the Police Station have to be assigned specific Beat duties. The allotment of duties shall be done by SHOs on daily basis and shall be reflected both in Duty Roster and Station General Diary. In this perspective revised Beat areas were drawn and were allocated to beat officers on 30.11.2019. Supervision of Beat System needs to be ensured by SSPs and SPs regularly. But, on scrutiny it is found that no proper GD entries as well as Roster entries were not made. SSPs and SPs were not properly supervising and ensuring SOPs of Beat System. This is a serious non compliance of directions in the SOP.

Hence, compliance of SOP be made in daily basis and report back accordingly.

Surender Singh Yadav
