Sub: PSCDL - Functional Go-Live of Integrated Command and Control Centre at Puducherry - Regarding.

Insp- Wireless / ccr

With reference to above mentioned subject, it is informed that ICCC at Puducherry has been proposed to be made functional with Emergency Response System of Police Department.

09.07.22

In this connection during the review meeting chaired by the Chief Secretary cum Chairman, PSCDL held on 03.06.2022, it has been decided to make the ICCC functionally ready by 25th June 2022, with deployment of adequate manpower from Police Department side to make the ICCC functionally ready.

Now the conference hall of EOC, Lawspet has been made ready to house the ICCC. Hence it is requested to make arrangements to share the dashboard of Emergency response system at ICCC and to deploy suitable manpower to monitor the same.

Yours faithfully,

(S.MANICKADEEPAN)
