Dear Sir/Madam,

Greetings from IIM Ahmedabad!

Recent rapid changes in the business environment have resulted into greater complexity. In such a scenario, effective and constructive interactions between individuals and groups have been identified as key factors towards an organization's growth.

We are offering a programme on 'Interpersonal Effectiveness and Team Building' from January 21 - 24, 2019 on our campus. The programme is designed to help middle and senior level managers in developing skills to enhance their personal, interpersonal, and group effectiveness.

I shall be glad to receive nominations from your organization. Sponsoring a team of two or three managers would be beneficial to the organization. You might like to avail the fee benefits of multiple nominations as eligible for this programme. The last date for receiving filled-in nominations is January 7, 2018.

For a copy of the programme brochure and nomination form, please get in touch with Ms. Anjana Suresh at anjanasuresh@iima.ac.in or Tel: 079-6632 4467.

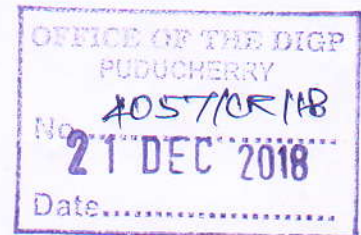

We look forward to receiving your nominations for the programme.

With regards,

Yours sincerely,

Parvinder Gupta
Faculty Chair - Interpersonal Effectiveness and Team Building
