Continuing Professional Development Programme on

Stress Management

(Leads to International Certification accredited by International Council of Stress Management Professionals, Sydney, Australia)

06 - 08 March 2019

Dear Sir / Madam,

We are happy to inform you that Engineering Staff College of India is conducting the above programme from 06-08 March 2019 at our Campus.

Nobody in today's World is immune to stress, and those individuals who are able to manage their stress alone are able to excel in their personal and professional life with greater ease. Unmanaged stress is the root cause for all problems as it directly impacts the Physical, behavioral and emotional performances of individuals. Unfortunately many people are ignorant of this fact. Rather many are not even aware that they have stress or are prone to stress and or moving towards the zone of adverse stress.

OBJECTIVE : The objectives of the programme are:

- To create awareness regarding different types of distress and its management
- To learn different techniques for managing different types of stress.
- To develop skills to audit, coach and counsel individuals ailing from stress.
- Build greater confidence and acquire required abilities of handling stress issues.

TARGET PARTICIPANTS: Engineers, Executives, Professionals from Governments, Private sector and Public Sector Undertakings (from product, process and service sectors), Scientists working in Research Laboratories and Professors, Associated Professors, Assistant Professors, Administrative. Officers / Executives of various engineering colleges & Universities, HR professionals and Corporate trainers will find the programme useful!

The brochure is also available on our website:- www.escihyd.org/ or it can be directly accesses by the following link to our M&T Division's future programmes: <http://www.escihyd.org/index.php/mt-upcoming-trainings>

We request you to kindly nominate few participants from your esteemed organization.

Thanking you,

Yours sincerely,

(Gp. Capt. (Retd.) B S Phillora)
