Respected I.G.P. Sir,

Date: 05.03.2016

My family and I thank you very much for your support and protection extended for the complaint of my property (land) which was brought to your kind attention some time back.

We also thank Insp. Mr. Bhaskar and S.I. Mr. Muthukumar of Muthialpet Police Station who also extended their support and protection as per your advice and orders for completing the construction of compound wall to my plot (Property).

At this juncture, we have experienced and learnt that "POLICE IS FRIEND OF PUBLIC." We also believe that the people of Pondicherry will be able to take a "SIGN OF RELIEF", if the Police Deptt. have Inspector and S.I. like Mr. Bhaskar and Mr. Muthukumar.

We once again thank you and your Deptt. for the support and protection, when we were in trouble.

Thanking you Sir,

Yours faithfully

S. RAJASEKAR & Family
