

No. 222 \SSP(HQ)\OW\2010
OFFICE OF THE SENIOR SUPDT. OF POLICE (HQ)
PUDUCHERRY

Dated: 22nd June 2010

MEMORANDUM

Time and again it has been insisted that all the officers & men of the department should wear helmet while riding motorcycle. In spite of repeated instructions, it is observed that many officers & men are not adhering to the advice.

This often reflects while the police personnel met with accident. It may be recalled that during the meeting held on 16-6-2010 with the traffic personnel, the Director General of Police reiterated that every one should wear helmet while riding motorcycle.

Instead of that, it was brought to the knowledge of the Director General of Police that one PC by name Jayapal who is working in the Traffic Unit met with an accident and sustained head-injury and has been hospitalized whose condition is critical. This reflects bad image of the police personnel that even though they have been specifically given direction, it was not properly implemented by the officers concerned.

Now, all the officers and men of police department are once again reiterated to wear helmet while riding motorcycle. The officers are instructed not only to wear helmet, but also ensure that their subordinate officers & men are wearing helmet while riding motorcycle/two-wheeler.

/By Order of the Director General of Police/
