Subject: TRAI recommendations on Broadband – Public Protection and Disaster Relief (BB-PPDR) Network-Reg.

Madam/Sir,

Telecom Regulatory Authority of India (TRAI) considering interoperability issues and limitation of existing Narrowband Networks, through its *suo moto* recommendations dated 04.06.2020 on "Next Generation Public Protection and Disaster Relief (PPDR) communication networks" made inter-alia following recommendations.

- i. To set up a pan-India integrated Broadband PPDR (BB-PPDR) Communication Network (to be called "National BB-PPDR Network") based on 3GPP PS-LTE technology.
 - ii. Forming a Special Purpose Vehicle (SPV) under MHA to plan, coordinate and steer the nationwide BB-PPDR communication network implementation and its subsequent operation.
2. In this regard, a meeting was held under the Chairmanship of Additional Secretary (PM), MHA on 13.01.2021 with officers from MHA, DoT, NDMA, ITBP, Coast Guard and DCPW to deliberate upon issues related to TRAI recommendations on BB-PPDR Network.
4. During the meeting, it was discussed that it would be more appropriate to go for implementation of National BB-PPDR Network in phased manner (3-4 phases) with priority to disaster prone areas. It is therefore requested that the districts wise areas to be covered in different phases may please be conveyed urgently to this Directorate on email: adddirector.dcpw@gov.in & rksingh@dcpw.gov.in for compilation and onward submission to MHA.

05/02/2021

(Devendra Singh)

Additional Director (HQ)
