

**POLICE DEPARTMENT**  
GOVERNMENT OF PUDUCHERRY

No. 95 / SP (Wireless) / 2020

O/o the SP (Wireless)  
Puducherry

02.09.2020

**AWARENESS ADVISORY CUM INSTRUCTIONS**

**Sub: General Awareness - Communication: Part - III / AS-IS**

**Ref: Wireless Network of Puducherry Police**

DGP had sensitized the undersigned to boost the awareness level of every staff with the institutional memory in line with "National Communication Standards" sensitized by DCPW, MHA with all DGSP / IGSP during launch of POLNET 2.0 upgraded to the functional specialization as Public Protection & Disaster Relief (PPDR).

**Inter-State Police Wireless @ ISPW**

**CORE DUTY**

**DCPW communication** setup consists of **31 Inter-State Wireless Station** at all States / UT capitals with its Control Station at New Delhi and thereby provides the communication network for hooking up all state's capitals with national capitals. In this ISPW Puducherry falls in the Southern region network of ISPW.

The **Core Duty** of the ISPW is to handle the traffic messages pertaining to **Law & Order, Movements / Security to VVIPs, Natural Calamities, Narcotics etc.** It acts as a vital communication wing for MHA for maintaining uninterrupted, secure and reliable communication. In every State and UT, Head of Police **DGP** assisted by **PRO @ SP (Wireless)** is connected to **ISPW @ DCPW** and thereby stabling the **Basic Core Duty** of DCPW connecting every State / UT Police.

Representing DGP / PRO @ SP Wireless, **Inspector Wireless will liaise with ISPW Puducherry in synchronizing the receipt and despatch of ISPW Messages ensuring dedicated Police Wireless Network connecting Puducherry Police with other States / UTs Police & MHA.**

**Our Institutional Memory** recalls that, in Puducherry Police all **Investigating Officers (IO) / SHO** used to give **ISPW message** addressing to other **States / UTs** in general or specific State / UT communicating & seeking investigational assistance to work-out the grave offences, property theft, etc. and wise-versa.

The undersigned is periodically advising to collect such **messages** from **ISPW** unit of DCPW **functioning at Lawspet** and prepare a subject wise consolidate messages on **day-to-day basis**. The **routine investigations** and **VVIP movements** messages may **directly be** communicated to all **Police Stations / Special Branch / Sigma Security/ Other Units respectively** marking copy to the undersigned and

**POLICE DEPARTMENT**  
GOVERNMENT OF PUDUCHERRY

Secretary to DGP, while sensitive and confidential messages be submitted to DGP in sealed cover and can act as directed by DGP.

To accommodate within the available man power, ISPW Puducherry may be requested to send such messages through email or WhatsApp so as on real-time within the scope of the SOP issued by MHA.

- Writer section, Inspector Office can segregate / classify the messages and group them.
- These classified / segregated messages shall be communicated to officers concerned via Wireless Message or Email or Whatsapp.
- Likewise, the ISPW messages sent by SHOs / IO of Puducherry UT shall be received and properly tracked to aid the connectivity & network between SHOs / IOs.
- ISPW shall be shared with the email IDs / Contacts of Puducherry Police by Inspector Wireless.

Inspector CCR / Wireless are instructed to brief all staffs working under their control on the above and to get feedback as part of cross checking the information for its correctness and to updating the correct information as part of Institutional memory as desired by DGP.

Instructed to report compliances and with acknowledgement from all staffs to ensure its reach by marking copy of the compliance report to SSP (Traffic / C&I), reader to IGP & Secretary to DGP.
