

No.C/ 213 /2010 - 02  
GOVERNMENT OF PUDUCHERRY  
POLICE DEPARTMENT  
PUDUCHERRY

Dated: 16.09.2010

To

The Senior Informatics Officer,  
National Informatics Centre,  
Chief Secretariat,  
Puducherry.

Sir,

Sub: Police Department, Puducherry – Back log entry of  
CIPA Data – Hiring of manpower – Estimate - Requested.

-:-

I am to invite your kind attention to the CIPA application software and its Management Information System developed by NIC, Puducherry in liaison with National Crime Records Bureau, New Delhi. It has been decided to outsource the backlog data entry of CIPA due to lack of manpower in the Police Department.

In view of the above, it has been proposed to hire man power through NICSi to make data entry in all the three modules of CIPA, viz., FIR, Investigation and Prosecution, at Police Station level where all infrastructure facilities have already been provided. It is requested that the technical assistance and training on the application & Management Information System to the proposed outsourced technical personnel may be provided by NIC in all the four regions of the Union Territory.

I am further to request you to provide quotation with cost estimate for engaging/hiring manpower for all the CIPA sites through the NICSi empanelled vendors.

This may be treated on Priority.

Yours faithfully,

  
(P. THAMILARASI)  
SUPERINTENDENT OF POLICE (HQ)  
PUDUCHERRY
