5. In view of the above, it is advised that you may kindly provide connectivity / bandwidth to the CCTNS through SWAN at State Head Quarters (SHQ), District Head Quarters (DHQ), Block Head Quarters (BHQ) and Police Stations/Offices within a distance of 7 km. from the SWAN POP's and also ensure that adequate facilities are provided for hosting the CCTNS servers at the State Data Center and DR site for the CCTNS project on a priority basis. Remote Police Stations/Offices shall be connected through broadband or VSAT and in the event of the Core Infrastructure (SDC/SWAN/DR) having to be augmented in some States to meet CCTNS requirements, the gap funding may be provided by CCTNS.

6. I shall be grateful, if you could personally look in to the matter and issue the necessary instruction to the implementing agencies under intimation to us.

regards,

Yours sincerely

*Shankar*
