Sir,

We have received a proposal from Chhattisgarh for inclusion of Police Out Posts in the State under CCTNS project which register the complaints and send it to the concerned Police Stations having jurisdiction for giving it a sequence number after registration of crime. We have forwarded their request to MHA for considering it favorably.

You are requested to provide list of Out Posts (with copies of government notifications) existing in State/UTs where the complaints are registered and investigated by the officers at Out Posts and the records as maintained in the Police Stations are maintained in Out Posts too.

The information should reach to this Bureau by 30.01.2010 positively, for moving MHA to consider allocation of additional funds to the Out Posts under CCTNS Project.
