8. Data Digitization (Page)

Stands amended as:

S. No.	Details of Data Digitization Requirement	
	Name of the Records	Number of Records/Cases To be Digitized
1	Case Files (IIF 1 to 7)	Around 85,500 Criminal cases are registered in all Police Stations in the UT in the last 10 years i.e. since 1/1/2001 up to Feb 2011. These case files needs to be digitized and migrated. As scheduled, CAS application would be live in the UT in the mid of 2012. Therefore, data from March 2011 to till the assumed period in the year 2012 also needs to be digitized/migrated and this may be 20,000 additional Case Files approximately. A total of 85,500+10,000 = 95,500
	Total	95,500

Note: The Cut-off date for calculating 10 years for which data has to be digitized as part of CCTNS project, would be calculated backward from the date when the CAS will be implemented in the state. The above data for digitization is for reference.
