

Note:

- a. Systems of latest configuration shall be purchased through NICSI.
 - b. Instead of Generator, online sine-wave Inverter was proposed as there is no recurring cost and maintenance free. One for Computers and the other for Tube lights & fans.
 - c. As directed by MHA, site preparation does not cover civil work & Air condition etc. It has to be catered with State fund.
 - d. Broad band connectivity shall be provided to all training centers as add on facility to the existing landline phone available there wherever PSWAN connectivity is not available.
4. As directed by the Nodal Officer (SSP(L&O), SSP(HQ) was consulted for the civil works in presence of Executive Engineer / Assistant Engineer (PWD) during Modernization Meeting held on 15.12.10 conducted by SSP(HQ). It was agreed to execute the same in the local fund. In this regard, Executive Engineer / Assistant Engineer (PWD) have agreed to visit the sites in Puducherry (PTS, CRB and SSP (L&O) office) to give estimate for the following works.
- a) AC provisions
 - b) Flooring
 - c) Electrical work with proper earthing
 - d) False ceiling

5. As directed by SSP (L&O), a team consisting of AE (PWD), Inspector of Police (GB), two members of SPMC (M/s. WIPRO Ltd) and member from CRB visited all the three sites in Puducherry Region on 16.12.2010 and identified the places tabled below on discussion with the respective unit officers and its feasibility.

SN	Location	Room identified
Pondicherry		
1	CID Complex	A big hall in the 2 nd floor being shared by the O/o the Inspector (CRB) and CRB record room is earmarked for computer training center for SCRIB under CCTNS Project. As discussed with Inspector CRB & SP(HQ), the existing occupants shall be shifted to the old CID PS Unit at first floor as they have shifted to Old Orleanpet PS Building,
2	Orleanpet PS Complex	A big hall in the 1 st floor of SSP(L&O) office is earmarked for District Training Center under CCTNS Project.
3	PTS Complex	One room in the ground floor of PTS is earmarked for PTS computer training center under CCTNS Project.
4	Karaikal & Mahe	Letter was sent to SSP(Kkl) and SP(Mahe) to identify the site for training center and to continue further action
AE PWD had informed that they will submit the cost estimate for the Civil work will be projected by PWD for necessary approval and sanction shortly.
