The Director,
National Crime Records Bureau,
R.K. Puram,
New Delhi.

Sir,

Sub: CCTNS – UT of Puducherry – Clarification in the funds allotted - Reg.

- Ref: 1. DO.No.22011/14/2009-SR(CCTNS), dt 21.07.09 - JS(CS), MHA, New Delhi.
 2. D.O.No. 22011/14/2009-SR(CCTNS), dated 29.08.2009 of the Additional Secretary (CS), MHA, New Delhi.
 3. Lt.No. 22011/14/2009-SR(CCTNS), dated 10.11.2009 of the Director, MHA, New Delhi.

With reference to the above, I am to state that the following points with regards to the allocation of funds under CCTNS Project to the U.T. of Puducherry may kindly be clarified.

- A. The Government declared Police stations includes Police Stations covered under Circles, Sub-divisions and Other Police Stations such as Traffic, PCR (Protection of Civil Rights Cell), VAC (Vigilance & Anti-corruption Unit), Food Cell, etc., where FIR's are being registered and the data are replicated in the **Crime in India** Report of every year. The same was reflected in our State Plan incorporating CIPA for CCTNS. While allocating funds the other Police Stations were not granted with the funds causing an incomplete structural status of CCTNS network.
- B. As this Mission Mode Project (MMP) involved a huge fund that has to be accounted through SDA (State Designated Agency), as Puducherry a small UT, we developed SDA for the purpose but to maintain the administrative works including audit and office maintenance we require administrative staff. There is no fund available for the purpose.
- C. Clarification as to the establishment of network under PSWAN (Puducherry State Wide-Area Network) and CCTNS.
- D. Clarification sought for the alternative Broad band connectivity apart from BSNL.
- E. Clarification as to the centralization of specifications of hardware for Computers and networking.
- F. Clarification as to the formation of unique ID to the Police personnel. Whether it has to contain the state code, year of enlistment, serial number to suite the strength of the Police force. Eg.

POLICE	STATE	YEAR OF APPOINTMENT / RECRUITMENT	SERIAL NUMBER
Pol	Py	0000	00000

- G. Whether the UT (Apex / Empowered) committee shall re-allocate the funds to suite the requirements, incorporating / adjusting with the existing facility through SPMC and SI as directed.

- H. Kindly furnish the Empanel list of SPMC and SI at the earliest.
- I. As per our CIPA State Plan, the maximum funds which could be allotted to the state in view of the demand of the State and DPR norms of GOI (in lakhs) for the year-1 (2009-2010) (Annexure-3) is shown below:
