Subject: Availability of communication and electric power

Attachments:  Performa for Network Survey.doc(32KB)

Sir,

Reference is invited to 21st Monitoring Committee Meeting (MCM) held on 25-26.05.2010. During the MCM the proforma for network survey was distributed to all the States/UT's nodal officer and the inputs were sought from all the officers.

However, till date none of the State except Goa has provided the desired information. It is therefore requested to provide the same at the earliest so that information could be compiled and put up to MHA. The required format is attached herewith.

Regards

--sd--

(B Radhika)

Dy. Director (CCTNS)
