Dear Sirs,

As part of the Police Modernization program, CIPA project for the computerization of Police Stations was being implemented by NIC. Under the project, funds were provided to NIC for supply and commissioning of computer hardware, installation of CIPA software and capacity building across the country in a phase-wise manner.

2. As you are aware of the fact that infrastructure created under CIPA will be subsumed under the CCTNS project, status of implementation of CIPA in your State was reviewed on 3rd Nov 2009. Information received from NIC regarding the status of CIPA implementation in your State, based on the inputs provided by CIPA co-coordinator of your State, is annexed.

3. May I request you to kindly direct the Nodal Officer for the CCTNS project to reconcile this information with your records. You may also like to notify any variance to NCRB for accounts reconciliation upto 12th Nov 2009.

With regards,

Yours sincerely,
